

## THE UNITED STATES OF AMERICA

The spiritual design for America at her inception was to lead the world into the kingdom of the anti-Christ. This is seen in her capital, the District of Columbia, Washington DC.

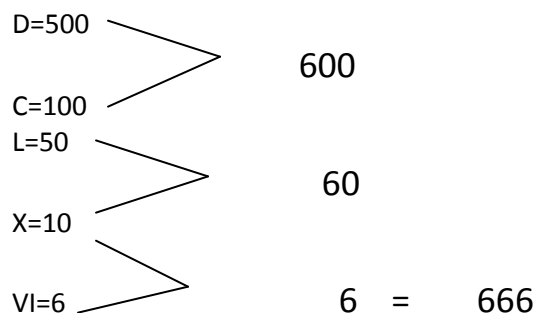

**The location of Washington DC was chosen in agreement with the occult significance in earth location (doctrine of mystical toponym).**

Its governmental center designed by a Mason, hides all sort of symbols from the public's understanding, with the purpose to establish the New World Order through secret societies, misleading the country to destruction.

The year of **1776** was well planned to represent America's purpose for being created, as we see it expressed on her great seal in the one dollar bill. The plan is written in Latin words, **ANNUIT COEPTIS NOVOS ORDO SECLORUM**- meaning, **ANNOUNCING THE BIRTH NEW WORLD ORDER**, and under the pyramid we see a number written in Roman numerals, **MDCCLXXVI= 1776**.

**The number 666 is embedded in the number 1776, the year of the birth of America:**

**MDCCLXXVI= 1776**

The all Seeing Eye represents the eye of Lucifer and the eagle is a prominent icon of Masonry.

The influence of America on the world has already united the world in language, entertainment, food, fashion- jeans, tennis shoes, tee shirts, music, and religion including Mormonism, Jehovah Witness, Masonry and more.

**America's founding date factors into the number of the beast of Revelation, which confirms the occultic beliefs of masonry in which she was found.**

The Masonic influence in the design of the United States of America and on its leadership over America, have permanently infiltrated its roots of evil very deeply into the heart of America's government, causing great panic and awe in the lives of her citizens.

There is evidence that supports the fact that Jews were very actively involved in the beginnings of Freemasonry in the United States of America. They were among those who established Masonry in seven of the original states: **Rhode Island, New York, Pennsylvania, Maryland, Georgia, South Carolina and Virginia.**

Looking at the American Seal, we read the Latin words on the top of the circle: ANNUIT COEPTIS, and on the bottom of the circle we read: NOVOS ORDO SECLORUM. In the middle of the circle, on top there is the eye above the pyramid and under the pyramid there is a number written in Roman Numerals: MDCCLXXVI. The meaning of all is: **ANNOUNCING THE BIRTH OF THE NEW WORLD ORDER - 1776 = the birth of United States of America and the year that the modern Illuminati were formed.**

More on the Great Seal: Just above the eagle's head, you will see 13 pentagrams within a cloud. The pentagrams are arranged in the shape of a hexagram – or greater Seal of Solomon. It is the sign of antichrist with 6 points, 6 angles, and 6 planes= 666. The eagle has 32 feathers right wing, but 33 in its left wing. The 32 feathers represent the number of ordinary degrees of the Scottish rite and the 33 feathers represent the 33 degree of Freemasonry. The tail feathers number 9, the number of degrees in the York Rite. Here are more symbols on the Seal:

13 leaves in the olive branch

13 bars and stripes in the shield

13 arrows in the right claw

13 letters in the "E PLURIBUS UNUM" on the ribbon, meaning= one out of many

13 stars in the green crest above

32 long feathers on its right wing representing the 32 degree in Freemasonry

13 granite stones in the Pyramid- the 13 layers represent the 13 illuminati bloodlines.

13 letters in Annuit Coeptis - announcing the birth.

To the sorcerer, the hexagram is a powerful toll to invoke Satan and it is a sign of the antichrist. (6 points, 6 angles, 6 planes = 666)

For its own doom, America has been one country that carries the most sustained tradition of tolerance. This country has been the haven for people with different ideas, religions and belief. For this reason, America's identity today is everyone else's identity, which is the Masonic philosophy of the One World Order idea, the reason for what America was born.
