

TOWER OF BABEL = ONE WORLD ORDER

What does the tower of Babel of yesterday have in common with the one world order of the future? Simply answered, all nations as one.

The Bible gives an account of the history of the flood and its consequential events in the timeline of Noah's life and the history of the generations of his sons, specifically Ham, the father of Cush. Cush, the Bible says, became the father of Nimrod; Nimrod, was first to be a mighty man on the earth. His kingdom included Babel and several other cities in the land of Babylonia; he went forth into Assyria (today's Iraqi) and built Nineveh, Rehoboth-Ir, Calah, Resen, which is between Nineveh and Calah; all these [suburbs combined to form] the great city (Gen. 10:9-12). In chapter eleven of Genesis we read that in those days the whole earth was of one language and of one accent and mode of expression; To exercise power and sovereignty against God's purpose to fill the earth, 339 years after the flood, Nimrod came with the plan to build a city and a tower to reach the sky; a name for themselves lest they be scattered over the whole earth. But the Lord came down to see the city and the tower which the sons of men had built. And the Lord said, Behold, they are one people and they have all one language; and this is only the beginning of what they will do, and now nothing they have imagined they can do will be impossible for them. Come, let Us go down and there confound their language, that they may not understand one another's speech. So the Lord scattered them abroad from that place upon the face of the whole earth, and they gave up building the city (Gen. 11). That was in a small scale, the first idea of one world order.

The World is now on a path to fall prey to the purpose of a powerful and influential group, the illuminates. They are genetically related, made of thirteen blood line families. They are working hard to create a chaotic world for their agenda to be put in place. Their plan is to emerge a totalitarian world government. Many nations have agreed to the idea in their ignorance of what this represent for their own country. It is the idea of the tower of Babel all over again. These are the days of Psalm 2's prophecy being fulfilled, when nations are assembling with commotion and imagining empty scheme. Earthly governments are taking their positions against the Lord and His Anointed One- the Messiah; they say, Let us break Their bands asunder and cast Their cords [of control] from

us (Psalm 2). These are days that precede the return of the Lord YAHSHUA for His bride. The agenda of this group will eventually take place, not in their time, but in God's timing, after the taking away of His bride. Satan is in a hurry to take over the world. But he too, has to wait. YAHSHUA told His disciples, "You will hear of wars and rumors of wars; see that you are not frightened or troubled, for this must take place, but the end is not yet" (Matt. 24:6). The end will take place on our sovereign Lord's watch. The war for power to implement one world order is clear and disturbing; men are showing their worst sinful side to obtain their position of power with the purpose of destroying the countries' sovereignty by establishing one government, one monetary and one religion systems. John Lennon's idea of one world order is registered in the song, "Imagine no heaven, no countries, all people living in peace as one brotherhood of man, with the final and only option if it is to survive a world united as one."

These are days of Babel: days of noises coming from false ideas, confusion of the mind; days of darkness of understanding; days of fear and uncertainty as countries sovereignties are taking away, their borders transgressed and their constitution stepped on by traitors, who hiding their conspiratorial agendas, show false concerns, false hope, to implement their agenda. Agendas that will rob the people of their freedoms and their rights. Cicero, a Roman philosopher, who lived in the year 42 B.C. described these people this way:

"A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and he carries his banners openly. But the traitor moves among those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears not traitor, he speaks in the accents familiar to his victims, and he wears their face and their garments, and he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation, he works secretly and unknown in the night to undermine the pillars of a city, he infects the body politic so that it can no longer resist. A murderer is less to be feared."

However, leaving the political aspect of things, let us concentrate on the truth and hope that the Word of God offers us. YAHSHUA affirms that dreadful times will come upon us. But He also warned us not to be bogged down with the worries of the world. He advised us to be awake, watching at all times, praying that we will have the full strength and ability and be counted worthy to escape all these things that will take place, and to stand in the presence of the Son of Man (Luke 21:36). He has determined a time when Satan will take control of this world in the person of the antichrist for seven years. But he will be revealed only after the departure of the church of Christ (II Thess. 2:1-3). In Revelation 6, the Lamb opens the seals; the antichrist is revealed in the first seal, when he is seeing by John on a white horse carrying a bow, and a crown was given him; he rides forth conquering and to conquer. That's the time when he is revealed and introduced to the world. In chapter 13 of Revelation, he is seeing by John as a beast that came out of the sea with ten horns and seven heads... (power and wisdom); he resembled a leopard, but his feet were like those of a bear and his mouth was like that of a lion. According to the late Lehman Strauss "he combines in himself the abilities and characteristics of the leaders of the three world empires preceding the Roman. The swiftness of the leopard, the overpowering tyranny of the bear, and the wild ferocity of the lion."

The world, through the power of the Illuminates, is preparing itself to receive the beast. Only through one world order will the world be ready for him. But it will happen only on God's calendar. Chaos is seen all over the world, in part created by those who desire to bring in their agenda. Reason why we have experienced increasing government dysfunctions and the removal of their leaders from power. This will be increasing until the time when the antichrist will take charge of the world in the sphere of one world order. Those left on the earth will worship him; namely, those whose names have not been recorded in the Book of Life of the Lamb that was slain from the foundation of the world. They will be marked with his mark on their right hands or on their foreheads. His mark is the number 666 (Rev.13;8,16,18).

Putting our thoughts in perspective, we are in the time frame of the end times. The world is changing in preparation to receive the antichrist; the beginning as well as the end of time are in the control of our Lord God; the focus of this time should be our readiness for His return as the pages of His book develop into reality. He said, "See that you are not frightened or troubled, for **this must take**

place.” But if you have not yet accepted His gift of salvation, consider the results of your decision; while the time is still an opportune time, make sure that your name is written in the Book of Life of the Lamb by receiving Him as your Savior and Lord.
