

RECKONING THE UNPRECEDENTED TIMES

Nations frown at each other with the latest weapon of mass-destruction, ready to use in retaliation against each other, expressing the hatred harbored for many years for disputes not settled. It is "wars and rumors of wars" as YAHSHUA described to be in these unprecedented times. Countries sacrifice their sons and daughters for useless wars time and time again trying to bring peace, so they say. But is it so? When they are not killed in combat, they come home either mentally ill, or handicap, and homeless in some circumstances, for their mental inability to hold a job. Families are destroyed and a growing number of homeless fills the under-bridge refuge, finding comfort in drugs. This is a world in chaos and confusion for all those of us who have not perceived the signs of time YAHSHUA alerted us was coming. What are really behind the world's agenda in order to bring in One World Order? One of them is the plan to build Smart Cities. They are 15-minute cities. These cities already exist in various big cities in this country. It encloses the masses to a small area where they are easily controlled by face recognition. Police in this country are planning to deploy "AI-driven recognition technology," capable to identify anybody who enters the public domain. Surveillance technology, already installed, supposedly for safety, will be weaponized to enforce their agendas to control our behavior.

How will they succeed in making the masses submit to them? Well, that's no longer a matter to wonder. We have experienced first-hand through their behavior in trying to control the people in the pandemic time, by forcing the vaccine on people all over the world through fear. Businesses doors were closed; many were closed indefinitely. Prices of everything including food, went sky high, jobs were scarce for a while. We are living in an unprecedented time. These are the days YAHSHUA alerted us in the Gospels of Matthew and Luke: Days of Noah, Days of Lot. *You will hear of wars and rumors of wars; nations will rise against nations, and kingdom against kingdom, and there will be famines and earthquakes in place after place; the love of the great body of people will grow cold because of the multiplied lawlessness and iniquity (Matt. 24:6-7,12).* We have been alerted about these days, although we didn't know how it would be possible. From the time world governments all over the world became enemies of the people, the doors were opened for the impossible to happen. Their obsession in controlling the people became so intense, they created the plan to weaponized surveillance technology already in place. "Facial-recognition, together with vehicle license- plate scanners will allow law enforcement to track the movement of everyone, whether on foot, or on a bicycle, on a subway, or in a vehicle." (Leo Hohmann). In a state of deceit, governments are misleading their subjects about their decisions. They are no longer friends of the people; their plans are to enslave the people in order to conform them to their plans. They are establishing rules hard to follow, robbing the people of God's-given freedom in every aspect. Faces recognition will facilitate them to apply correction on those who will not comply. This is in preparation for the antichrist to take power over the world. He will then implant chips on hands or heads, which is his mark. This chip is the ultimate control on men; it carries his DNA on everyone who will take it. The latest vaccine was the precursor of his mark. We saw how many agreed to take it, including those who call themselves Christians. For they did not perceive the true meaning of it. His mark will render

people's complete allegiance to him in One World Order, in which he will implement one religion, he being the only one to be worshipped.

Revelation 13: 16-17 says, "Also he compels all, both small and great, both the rich and the poor, both free and slave, to be marked with an inscription[stamped] on their right hand or on their foreheads, so that no one will have power to buy or sell unless he bears the stamp, [that is] the name of the beast or the number of his name. High technology will be key in implementing what's to come. Although, we do enjoy its conveniences right now. However, behind all these conveniences there are complete control looming on the horizon approaching faster and faster without the masses perceiving it. The artificial intelligence, (IA) for example was created to replace the human reasoning in decision making. It refers to computer systems capable of performing complex tasks that historically only a human could do, such as reasoning, making decisions, or solving problems. In many ways it is perceived to be more intelligent than the human mind, but it is actually only analyzing data in response to a human designed algorithm.

Submerged in the comfort and entertainment of electronic gadgets, we are dying slowly in the pretension that all is well, not realizing that behind it all, there is a plan against us, robbing us of the most basic freedom to reason, and to think, to make decisions. As a robot, which was created by men and lacks life and soul, we are perceived to be lower than they, God's creation made in His image, in wisdom, knowledge beyond the human mind to comprehend. It is as in the days in the Garden of Eden, when Satan brought down mankind and took control of his thinking. We are arriving at that day when One World Order and one world religion will be established through the electronic gadgets, we so much love. Watch your phone, watch your T.V. we are being watched through them. YAHSHUA said these things must happen for the end to take place. The end is marked by the great tribulation coming to the earth, as God's wrath is poured on the wicked and on those who have rejected their only way of salvation- YAHSHUA Messiah.

Wake up, I say unto you, wake up! Don't be left behind for not been prepared. Remember, if you take the mark of the antichrist, you will forever be his. Even during the tribulation there will be another chance given to be saved, offered to anyone who will listen and repent and turn away from his sins. YAHSHUA will still extend the opportunity to you. But you will suffer death as a result. Physical death, that's is; but you will be saved, if you do not take the mark of the beast that will be implanted at that time.

This is high and urgent time. God's trumpet will be the next universal sound to be heard. That trumpet will not be the "Last Trump of Revelation" as many believe it is. The difference is that God's Trumpet of I Thessalonians will be calling only His own before the tribulation takes place, called the rapture. The trumpet of Revelation will be ushering the last seal: But when the days come when the trumpet call of the seventh angel is about to be sounded, then God's mystery, as He had announced the glad tidings to His servants the prophets, should be fulfilled (Rev. 10:7). This is the closing of the first woes brought by the seven trumpets, before the seven bowls of the wrath of God falls on earth (Rev. 15-16).

YAHSHUA warned us saying, "Keep awake then and watch at all times, praying that you may have the full strength and ability and be accounted worthy to escape all these things that will take place and to stand in the presence of the Son of Man" (Luke 21:36). Overlooking the signs of the time given us is to ignore the reality of truth and disregard YAHSHUA'S warning. He said, "Heaven and earth shall pass away, but My words shall not pass away" (Matt. 24:35).

Look around and you will see people in their insecurity of ignorance of what is going on. Their bodies filled with tattoos, their way of dressing, the colors of their hair speak volumes. What is their intake on things around them? They probably have no clue. With their heads buried on their phone, they are not aware of the world around them. Paul said, "But the Holy Spirit distinctly and expressly declares that in latter times some will turn away from the faith, giving attention to deluding and seducing spirits and doctrines that demons teach; but understand this, that in the last days will come perilous times of great stress and trouble; for people will be lovers of self and [utterly] self-centered, lovers of money and aroused by an inordinate desire for wealth, proud and arrogant and contemptuous boasters, they will be abusive, disobedient to parents, ungrateful, unholy and profane..." (I Tim 3:1; II Tim 3:1-2). We are living in the days of Noah, when violence and perversity abounded and in the days of Lot, when immorality, violence also abounded. The signs are plain to see that the days before the earth destruction are at hand. What are we to do in this frame of time? Watch and pray were the commands YAHSHUA left for us to do. Let's do them in readiness for His coming for us!
